

# STORIES FROM WITHIN

*I joined KIPERKIDS this year in February. I always look forward for KIPERKIDS as it is really fun and I enjoy the activities they have every week. My favourite activity is the online KAHOOT Quiz because I get to answer the questions and earn stars. This gives me more energy and motivation to participate in the session. I also like my befriender as they are very nice to explain and help us in the breakout room activities. Overall, my experience in KIPERKIDS has been great and I cannot wait to attend it again next year.*
